The proposal seems to be a good one and deserving of encouragement.

The cost of one Hospital Asstt Establishment is put down at Rs: 1788 per annum. For the 2 Hospl Asstts who are intended to be employed on the duty the cost will be Rs: 3576 per annum

VM 27/12/96

The Senior Surgeon does not say whether he will have to appoint 2 regular Hospital Apptes * in the place of those to be deputed on the special duty in question. VM

The proposal may be sanctioned. Evidently five ~~three~~ men will work ~~two~~ remain under the Senior Surgeon. If there are no extra men, the Senior Surgeon will of course appoint more men. I do not however object to make the enquiry asked for before submitting the proposal to the Govt.

In Govt Proc: No. 885-7/4 dated 5th May 1884, 13 Assistant Surgeons were provided for the Province as follows:

Bangalore	2	for Hospital & Maternity.
	1	for Stores & Asylums.
	1	for Military and Railway
	1	for Hd Qrs Estt and general Duty.
Mysore	1	for General Hospl
	1	for Female Hospl and Palace Estts

(2). In Proceedings No. 2946-7 dated 26th

26th March 1888 a grade of Sub Assistant Surgeons was instituted and 2 such were appointed for Shimoga and Chikmagalur.

Thus there were in all 15 medical officers.

3. From the Dewan's note of 1892 it will be seen that the No. of medical officers was increased to 18 by adding 3 more to the existing number, one of them being for Vaccine Institute, the other for Koppa Dispensary and the third for Military (probably Imp. Service Regiment).

The Gradation List of December 1896 shows that there are 15 Asstt Surgeons and 5 Sub Asstt Surgeons in Service as per Statement overleaf and that there is an acting vacancy in the grade of Sub Assistant Surgeons.

MEMO.

Letter no.2232 dated 7th October '01 from the Senior Surgeon and Sanitary Commissioner with the Government of Mysore.

The employment of two 1st Class Hospital Assistants, as itinerating Medical Officers, was sanctioned, in March 1897, tentatively for a year, one for the Shimoga District and the other for the Mysore District, at a cost of Rs.1788 per annum for each establishment.

Pro: Camp No. 508-9 d: 23d March 1897 (Serial No. 6)

The Senior Surgeon not having given effect to the above order he was, in the communications noted in the margin from the office, asked to take early action in the matter.

No. 14447 Mis. 3061 d: 5th May 1898 (5.8)

No. 10671 Mis 22-97 d: 24th March 00 (5.15)

The Senior Surgeon now reports that he was appointed 1st Class Hospital Assistant M.D.Sreenivasiengar as itinerating Hospital Assistant of the Shimoga District on the pay, allowances and establishment sanctioned in the Government Proceedings of the 23rd. March 1897, and that the delay was due to want of hands, all available Medical men having been employed on plague and other special duties.

Col. Smyth further promises to appoint another Hospital Assistant as Itinerating Medical Officer of the Mysore District, as soon as a Medical Officer becomes available for the purpose.

A draft is submitted for approval.

This may be sanctioned I think as Govt has already ordered its being carried out. Perhaps it may be as well to wait some time and obtain a special report of the usefulness of this arrangement before applying it to depose. If so a direction to that effect will have to be added to the Draft order.

Sir.

I have the honor to request that the Sanction of Govt may be obtained to the employment as a temporary measure, (say one year) of two 10 Cl. Stamp Vaccinators as Itinerating Medl. Officers -

Govmnt. are well aware, that the present L.F. Dispensaries Scattered

The system of Itinerating Medl Officers is one that cannot fail to afford to the numbers of the Natives Scattered throughout the villages, this form of Charity that any Govt might well be proud of, such work provides relief to a immense number of poor people, who are at present practically without any medical aid, other than that afforded by ignorant Vydians & Hakeems & am convinced that if such trustworthy & sympathetic subordinates are chosen to fill these posts, that it will be a real relief to the poor, & that the people will readily appreciate the effort - large numbers for treatment.

I have the honor to be
Sir
Your obedient Servant

Percy M Brown
Deputy Collector
In charge Telugu Class

throughout the Province are doing most excellent work, & affording an amount of relief - which is highly appreciated, & this, there do not reach the rural classes who really form the majority of the population, & it is on their behalf - that I make this appeal.

The Experiment has already been tried in the Native State of Gondal & I am today in receipt of a letter from the Private Secy of H.H. the Thakore Saheb in reply to one of mine, in which he assures me that the Experiment has proved a very great success & that they like it extremely popular.

If the Experiment is worth trying at all, it is worth while doing it thoroughly & I would therefore recommend that only 1st Class Hospl. Assts possessing the degree of L.M. & S. be employed -

I enclose for the information of Government a statement showing the probable cost of such a Establishment as would be necessary - The allowance of Rs 20 per mensem seems high, but it must be borne in mind that many of these Hospl. Assts are already in receipt of Rs 10 per mensem as Charge allowance (without having to do any travelling) & if they are not paid sufficiently well they will be discontented & do bad work only

Rules for the Guidance of Itinerating Medical Officers.

GOVERNMENT OF MYSORE

(1) For the present as an experiment there will be two Hospital Assistants employed, their designation being Itinerating Hospital Asstt. One will be posted to the Shemoga and the other to the Mysore Districts.

(2) Their duties will be to visit in periodical tours those villages not within easy reach of Hospital and Dispensary towns.

(3) They will keep up a Nominal Register of all patients treated, the same as is done in Local Fund Dispensaries, and a Column showing the name of each village should be added. A Monthly Return in the usual form will be forwarded to the Senior Surgeon the first week in each Month thro the District Medical Officer.

(4) They should not stay more than 3 days in any of the smaller villages, but there is no objection to their staying a fortnight in villages having a population of 1000 or more.

(5) Ranges for their Guidance will be drawn up by the Senior Surgeon and villages having a population of 1000 or thereabouts will be selected as Centres where they may establish their head quarters for a few days and from whence they will pay visits

visits to the smaller Vadlyng villages. They will travel not more than [illegible] 8 Miles per Diem.

6. They will treat all ordinary patients during their stay in the village and on their departure will give Medicines to the patients for two or more days as they may think necessary. Urgent Cases requiring Constant Care should be removed to Hospital (where it is Convenient and the patient is willing); where these Conditions do not exist they should remain at the Centre and treat the Case to its termination

7. They will give previous intimation to the villagers thro' the Patels where duty it will be to instruct those requiring treatment to go to them for Medical aid.

8. The dispensary should be open from 7 a.m. to 11. A.m. and from 4. P.M. to 6. P.M. In urgent Cases Medicines should be given at any time

9. Europe Medicines and a suitable Case for the Conveyance of the same will be supplied from the Medical Stores and Care will be taken to see that the supply does not become exhausted by sending an indent in the proper form to the nearest District Medical Officer.

10. Native Medicines should be purchased

purchased from the bazaar and vouchers for the payment of the same must be submitted together with the Monthly Returns.

(11) They will be required to look after the Sanitation of the villages in their range, — examine the register of births and deaths kept by the Patels and inspect all the Children in the village and note those that have not been vaccinated.

(12) In villages where any Epidemic disease prevails, such as Cholera or small pox they should stay longer and afford Medical aid to all who may require it.

(13) They will not be allowed to ask for or accept any fees under any Circumstances whatever without the sanction of the Senior Surgeon

Dated 7th October 1901

Sir,

With reference to Proceedings of Government and order thereon No. 508-9 of Mysore 23rd March 1897, I have the honor to report for the information of Government that I have appointed 1st Class Hospital Assistant M.D. Sreenivasa Iyengar as Itinerating Hospital Assistant of the Shemoga District.

The pay, allowances, Establishments &c to this Hospital Assistant are as shown in the statement approved in G.O. under reference.

Due intimation will be given as regards the appointment of other Itinerating Hospital Assistant for the Mysore District in due course i.e. immediately after another Hospital Assistant is found available. The delay of appointing Itinerating Hospital Assistants (though sanction was accorded so far back as 1897) is due to ~~Nor~~ want of hands, as a number of hands fro the limited scale were employed on plague and other special duties.
